

GUILHERME MARTINS MIRANDA

FRONTEND DEVELOPER

guilhermemm.dev | [linkedin.com/in/guilhermemm-dev](https://www.linkedin.com/in/guilhermemm-dev) | github.com/guilhermemm-dev
guilhermemm.dev@gmail.com | +44 0743 814 6481 | Bristol, UK

PROFILE

I am driven by facilitating people's lives through beautiful Web and Mobile applications with great usability, scalability, and performance. The possibility of combining logical problem-solving with the creative processes of user experience is what attracts me most to frontend development.

I'm a professional that seeks continuous development and learning. Therefore, I am always open to opportunities in which I need to learn new software development tools and challenge the current state of my knowledge.

I'm looking for a new role local/hybrid in the Bristol(UK) area or remotely anywhere.

UK - Work Permit Status: Tier 2 dependent visa holder, which allows me to work full-time in the UK, without requiring a sponsorship.

EXPERIENCE

My previous experiences are in projects using React, React Native, Next.js, Angular, Vue, Node.js, JavaScript, TypeScript, HTML, CSS, SASS, Styled-Components, TailwindCSS, Bootstrap, Chakra UI, Material UI, and others.

React and Angular are the technologies that I have more experience with. However, all frontend frameworks are based on the same JavaScript fundamentals, so I can work with any framework, given a reasonable adjustment window.

FRONTEND DEVELOPER – 04/2022 - 10/2023
