Nickolai Starck

PROFESSIONAL SUMMARY

Driven integrated masters computer science graduate with work experience in customer facing roles. Proficient in Python and JavaScript, seeking a graduate role to further diversify skills and language proficiencies.

EDUCATION

Durham University, Durham — *Meng Computer Science*

OCT 2019 - JUN 2023   Expected grade: 2:1

Ashmole Academy, London — *A levels*

OCT 2017 - JUN 2019   Grades: Maths - A*, Physics - A, Further Maths - B

PROJECTS

Query-Based Algorithm Evaluation (Python)

Implemented and assessed query-based algorithms with stochastic uncertainty, drawing from diverse academic papers. Employed data visualisation libraries such as Pandas, Pyplot, and Seaborn to effectively communicate results.

Darts Score Tracking Web Application (JavaScript)

Developed a dynamic web application for scoring darts games, storing player profiles and statistical tracking. Utilised Bootstrap for frontend design and Express with Node.js for backend functionality. Implemented basic HTTP testing using the Supertest npm module.

EXPERIENCE

Sainsburys, London — *Trading assistant*

DEC 2022 - JAN 2023

- Managed inventory and ensured stock replenishment.
- Effectively addressed customer inquiries and resolved complaints.
